

10 Reasons to adopt BT Cloud Contact Centre

- ✔ **Cost:** No hardware, annual maintenance or upgrades. Success Management & 24x7 Support included.
- ✔ **Speed of Set-up:** Get up and running in just a matter of days and quickly start reaping the rewards.
- ✔ **Latest Functionality:** There's no lagging behind, you'll always have the latest and greatest version.
- ✔ **Work from Anywhere:** Connect multiple office locations, sites and home workers.
- ✔ **Flexible and Scalable:** Flex up for busy periods. Pay as you grow; add extra concurrent seats when you need.
- ✔ **Security:** Use our infrastructure for disaster recovery, resilience & automatic failover across data centres.
- ✔ **PCI Compliance:** As standard and out of the box as an option if you need it.
- ✔ **Advanced Features:** Mobile screening & other tech advancements that a legacy system could never offer.
- ✔ **Simple CRM Integration:** Out of the box integration to Salesforce & Dynamics. Easy API access for others.
- ✔ **Streamline your Vendors:** All in one package for contact centre, PCI, recording & back-office telephony.

Offices worldwide

The services described in this publication are subject to availability and may be modified from time to time. Services and equipment are provided subject to the respective British Telecommunications plc standard conditions of contract. Nothing in this publication forms any part of any contract.
